Dear Parents and Carers

Families Joining Year 7 at Archbishop Tenison's School in September 2020 Meet Head of Year 7

Over the coming weeks we will be making regular contact with you and your child to help their smooth progression from Year 6 at their current primary school, to Year 7 at Archbishop Tenison's. What better way to start the process than for families to meet Miss Oginni, Head of Year 7.

Miss Oginni is an outstanding teacher of Maths and Business Studies and we are very pleased that she will be leading the year group through their seven-year educational journey at Archbishop Tenison's.

This week Archbishop Tenison's will be working hard to welcome three groups of pupils. Our current Year 12's and 10's who will be onsite for the first time since lockdown began in March, and our new Year 7 cohort (via remote communication). This video is the first of a series of 'virtual' links and activities that will support your child's transition.

As Miss Oginni says in her video, "we wish all a great summer", but we will also be making every effort to communicate with you regularly before we break up in July and again before you start school in September. Later this week we look forward to taking introducing you to other key members of staff. We will also be ready to communicate our full transition program that will take us all the way to the end of this academic year.

I hope you enjoy meeting Miss Oginni, please click [here](#) to link to the video on our website.

Yours faithfully

Mr A Cook
