

Archbishop Tenison's

CHURCH OF ENGLAND HIGH SCHOOL

19th March 2021

Dear Parent and Carer

Year 11 Physicists

In order for your child to properly to improve and further extend their application and Physics problem solving skills, Isaac Physics an Open Platform for Active Learning (OPAL) designed to offer support and activities in physics, are offering a free online Physics masterclass to high achieving Year 11 Physics pupils.

Your child has been highlighted as a high achiever, and therefore I would like to invite them to sign up for this fantastic opportunity.

Would you please ask your child to sign up to an Isaac Physics account using the following link: <https://isaacphysics.org/account?authToken=Z23EVE>. Once they have created an account please ask them to register their place on Saturday, 27th April 10:00am-1:00pm.

For more information regarding this event, please visit https://isaacphysics.org/events/20210424_y11masterclass_virtual

If you have any further questions, please do not hesitate to contact me.

Yours sincerely

Mr Whyman
Teacher of Science
