We are looking to appoint a Teacher of Computer Science for one term from April 2021.

Archbishop Tenison's is a 307 year old Church of England, mixed 11-18 comprehensive school with an excellent track record at both GCSE and A Level. Most important it is a community where the people who work believe they can make a difference to the young people they teach. Our school motto is "Academic excellence for each person in a Christian community".

If you would like to work in a school that is committed to providing a strong academic foundation for its students in a secure Christian context we would love to hear from you.

Interviews, which may need to be held remotely, will take place on Friday 12th March (time tbc)

Please find attached further information regarding the role and an application form.

Archbishop Tenison's is committed to safeguarding and promoting the welfare of children and young people and any appointment will be subject to an Enhanced DBS disclosure as well as any other pre-employment checks.
